

Cut around outside edge. Fold in half to make the booklet. Have students write a fact about that person.

Cut around outside edge. Fold in half to make the booklet. Have students write a fact about that person.

Moses saved George.

George taught Henry about plants.

Henry hired Norman and gave Norman the idea for super plants.

Norman developed super seeds.

These super seeds help feed the world.

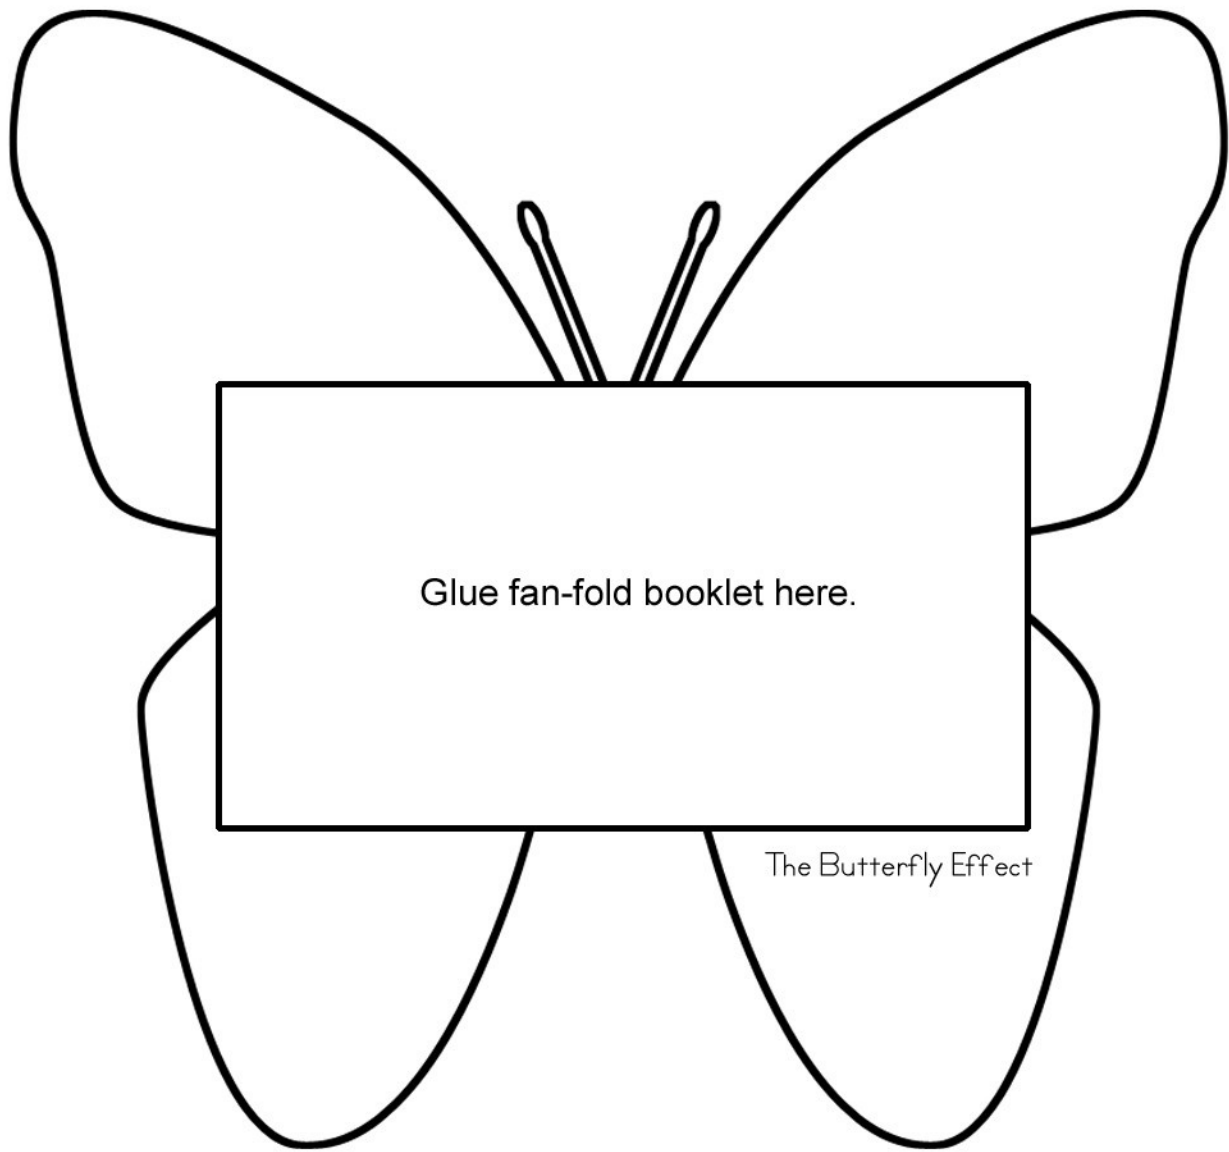

Cut out large set of boxes as one unit and fan-fold.

Cut out small set of boxes individually. Place the appropriate photo on the right page of the fan fold booklet.

Glue finished booklet onto butterfly cut-out (next page.)

THE BUTTERFLY EFFECT

Print on colored paper (optional).
Cut out around figure.
Glue fan-fold booklet in the middle.

These mini-books were created to go along with **The Boy Who Changed the World** by Andy Andrews.

You can:

- * Save the files on your computer and print off copies for your homeschool or classroom.
- * Link directly to www.spelloutloud to share my files with others.

Please Don't:

- * Host any of these files on your own site or file-sharing sites(i.e. Yahoo groups etc).
- * Alter or sell any of the files.
- * Sell files to make a profit (i.e. print, laminate, and sell as kits to others.)
- * Transmit or store any resources on any other website or other form of electronic retrieval system.
